QPOC DEBRIEFING CAUCUS
6:00pm to 7:30pm @ Life Sciences 1500
Sponsored by Queer Conference Committee of UCR
Pizza & drinks provided!

This is a closed space for all Queer People of Color identified persons. We will be discussing the differences between queer-cultures within our ethnicities. Not only will we be focusing on ourselves as a marginalized group by white queer culture and organizing, but also on why is it that we are a marginalized group when we are the backbone to many movements in the queer community.

CSU General Assembly *Watkins 1000*

Ben Cartwright, San Diego State University
Fernando Estrada, Cal Poly Pomona Staff

Since 2003, students/faculty/staff from the 23 campuses that make up the California State University have come together during the Western Regional Conferences to discuss LGBTQIA issues that affect our university system. The CSU system is one of the largest, most diverse systems in the nation, yet services and programs for LGBTQIA and students of color are severely lacking. This session is intended to bring people from the CSU system to discuss their campus issues, network with other CSU system representatives, and organize a CSU LGBTQIA Network group.
